

2nd Annual Meeting of the International Continence Society

Paris, 15th–17th September 1972

Chairman: PIERRE ABOULKER, Paris
Organising Secretary and Editor of Proceedings: ERIC S. GLEN, Glasgow

Index

FRIMODT-MØLLER, C.; GAMMELGAARD, P. A.; HALD, T., and OLESEN, K. P. (Copenhagen): Urological Investigation in Women with Recurrent Incontinence Following Gynecological Surgery	163
CALDWELL, K. P. S. (Exeter): Clinical Use of Recording Nappy	172
JAMES, E. D. and FLACK, F. C. (Exeter): Assessment of Recording Nappy	174
ALEXANDER, S. and ROWAN, D. (Glasgow): Clinical and Hydrodynamic Evaluation of Urinary Incontinence in Women. Clinical Aspects and Analysis of Results	176
STANTON, S. L.; HILL, D. W., and WILLIAMS, J. P. (London): Electromyography of the Detrusor Muscle. Preliminary Communication	182
ARNOLD, E. P. (London): Cystometry – Postural Effects in Incontinent Women	185
WARRELL, D. W. and CLOW, W. M. (Manchester): Critical Appraisal of Cystometry in Evaluation of Bladder Function	187
KIESSWETTER, H. (Wien): Das Urethraldruckprofil. Unter Medikamenten, Östrogenen, bei neurogenen Störungen und bei Stressinkontinenz (The Urethral Pressure Profile)	190
EDWARDS, L. and MALVERN, J. (London): Studies of Intra-Urethral Pressures in Normal and Incontinent Women	205
GLEN, E. S. (Glasgow): Intra-Urethral Pressure Profile and Stimulation Results in Urinary Incontinence	207
HOPKINSON, B. R. (Birmingham): The Birmingham Continence Aid	211
TRONTELJ, J. V.; JANKO, M.; GODEC, C.; RAKOVEC, S., and TRONTELJ, M. (Ljubljana): Electrical Stimulation for Urinary Incontinence. A Neurophysiological Study	213
COLLINS, C. D. (Bristol): Intermittent Electrical Stimulation	221
VEREecken, R. L. (Leuven): Experience with Vaginal and Anal Pacemakers	222
MERRIL, D. C. and CONWAY, C. J. (Minneapolis, Minn.): Clinical Experience with the Mentor Bladder Stimulator. Preliminary Report	224
CALDWELL, K. P. S. (Exeter): Electrical Stimulation	225
STOCKAMP, K. and SCHREITER, F. (Mainz): Function of the Posterior Urethra in Ejaculation and its Importance for Urine Control	226

DRÖES, J. T. P. M.; ULDEN, B. M. VAN; DONKER, P. J., and LANDSMEER, J. W. F. (Leiden): Studies of the Urethral Musculature in the Human Fetus, Newborn and Adult	231
CASS, A. S. and SPENCE, B. S. (St. Paul, Minn.): Urinary Incontinence in Myelomeningocele	235
SUSSET, J. G.; ZINNER, N., and ARCHIMBAUD, J. P. (Sherbrooke/Leiden/Lyon): Differential Sacral Blocks and Selective Neurotomies in the Treatment of Incomplete Upper Motor Neuron Lesion	236
