

6th Annual Meeting of the International Continence Society

Antwerp, September 2–4, 1976

Chairman: *Bo Coolsaet*

Editor of Proceedings: *Bo Coolsaet*, Kapellen, Belgium

Honorary Secretary: *Eric S. Glen*, Glasgow, U.K.

Index

<i>Ulmsten, U.; Sjöberg, N.-O.; Andersson, K.-E.; Owman, C., and Walles, B.</i> (Lund): A New Contribution to the Discussion of the Existence of a Urethral Sphincter Mechanism in the Female	3
<i>Boyarsky, S. and Labay, P.</i> (Saint Louis, Mo.): Principles of Bladder Function	4
<i>Mastrigt, R. van; Coolsaet, B.L.R.A., and Duyl, W.A. van</i> (Rotterdam): The Passive Properties of the Urinary Bladder in the Collection Phase	14
<i>Torrens, M.J.</i> (Bristol): Urethral Sphincteric Responses to Stimulation of the Sacral Nerves in the Human Female	22
<i>Jonas, U. and Hohenfellner, R.</i> (Mainz): A New Concept of Urodynamic Evaluation of the Lower Urinary Tract	27
<i>Duyl, W.A. van; Coolsaet, B.L.R.A., and Mastrigt, R. van</i> (Rotterdam): A New Clinical Parameter for the Assessment of the Contractility of the Urinary Bladder	31
<i>Andersen, J.T. and Bradley, W.E.</i> (Minneapolis, Minn.): Urethral Pressure Profilometry. Assessment of Urethral Function by Combined Intravesical Pressure and EMG Recording	40
<i>Duyl, W.A. van; Zwart, A. van der; Rikken, H., and Roggeveen, H.</i> (Rotterdam): An Electronic Device for Quick Analysis of Exponential Decay Curves	50
<i>Palmtag, H. and Heering, H.</i> (Heidelberg): Signs of Compensation and Decompensation in Bladder Outlet Obstruction	53
<i>Nordling, J.; Hebjørn, S.; Walter, S.; Hald, T., and Christiansen, H.D.</i> (Copenhagen): A Comparative Study of Water Cystometry and CO ₂ Cystometry in 102 Consecutive Patients	60
<i>Mortensen, S.; Djurhuus, J.C.; Frimodt-Møller, C., and Petersen, E.</i> (Copenhagen): The Diagnostic Value of Urethral Pressure Profiles, Cystometry, Pressure-Flow Studies and Micturition Cystourethrography in Female Incontinence	68
<i>Whitfield, H.N.; Perry, I.R., and Hill, D.W.</i> : Computer Analysis of Detrusor Electromyograms	74
<i>Erlandson, B.E. and Fall, M.</i> (Göteborg): Urethral Pressure Profile Studied by Two Different Microtip Transducers and an Open Catheter System	79
<i>Heidler, H.; Kiesswetter, H., and Flamm, J.</i> (Vienna): The Influence of Acid and Alkaline Media on Urodynamic Parameters	83
<i>Rollema, H.J.</i> (Rotterdam): Ultrasonic Volumetry, a New Principle for Uroflowmetry; Comparison with the DISA Mictrometer	88

<i>Turner Warwick, R.</i> (London): The Treatment of Female Urinary Incontinence	101
<i>Öbrink, A.; Bunne, G., and Ingelman-Sundberg, A.</i> (Stockholm): The Urethral Pressure Profile in Urge Incontinence before and after Unilateral Blockade of the Inferior Hypogastric Plexus	107
<i>Henriksson, L.; Asmussen, M.; Löfgren, O., and Ulmsten, U.</i> (Malmö): A Urodynamic Comparison between Abdominal Urethrocystopexy and Vaginal Sling Plasty in Female Stress Incontinence	111
<i>Faber, P.; Beck, L., and Heidenreich, J.</i> (Düsseldorf): Treatment of Urinary Stress Incontinence in Women with the Lyodura Sling	117
<i>Hebjørn, S. and Walter, S.</i> (Gentofte): Treatment of Female Incontinence with Emepronium Bromide. Detrusor Hyperreflexia in Multiple Sclerosis and Urge Incontinence in Postmenopausal Women, Treated with Emepronium Bromide (Cetiprin®)	120
<i>Michiels, H.G.E.; Delaere, K.P.J.; Debruyne, F.M.J., and Moonen, W.A.</i> (Nijmegen): Treatment of Nonneurogenic Unstable Bladder by Prolonged Bladder Distension. A Review of 22 Cases	130
<i>Walter, S.; Wolf, H.; Barlebo, H., and Kaalund Jensen, H.</i> (Gentofte): Urinary Incontinence in Postmenopausal Women Treated with Estrogens. A Double-Blind Clinical Trial	135
<i>Walter, S.; Olesen, K.P.; Kaalund Jensen, H., and Hjortkær Pedersen, P.</i> (Gentofte): Urinary Stress Incontinence in Women. Pre- and Postoperative Evaluation	144
<i>Bologna, U.</i> (Rome): A New Surgical Procedure for the Correction of Urinary Stress Incontinence in the Female	150
<i>Blandy, J.</i> (London): The Indications for Prostatectomy	159
<i>Abrams, P.H. and Feneley, R.C.L.</i> (Bristol): The Significance of the Symptoms Associated with Bladder Outflow Obstruction	171
<i>Madersbacher, H.; Marberger, H., and Holl, P.</i> (Innsbruck): Hydrodynamic Aspects of Bladder Neck Obstruction	175
<i>Abrams, P.H.</i> (Bristol): The Urodynamic Changes following Prostatectomy	181
<i>Hohenfellner, R. and Jonas, U.</i> (Mainz): Results following Prostatectomy	187
<i>Andersen, J.T. and Nordling, J.</i> (Gentofte): Urinary Incontinence after Transvesical Prostatectomy	191
<i>Jonas, U. and Hohenfellner, R.</i> (Mainz): Which Anatomical Structures in Fact Achieve Urinary Continence?	199
