Laudatio

..... 1996 Nobel Prize for Medicine for Prof. Dr. med. Rolf M. Zinkernagel

Prof. Zinkernagel has received the 1996 Nobel prize for Medicine for his innovative research on cellular immunology. Prof. Zinkernagel is on the Scientific Board of *Urologia Internationalis* and is therefore acting as a reviewer in the field of immunology. The Editors as well as the numerous readers of *Urologia Internationalis* would herewith like to congratulate Prof. Zinkernagel for this well-deserved distinction. We are very proud of his participation as a member of the editorial team of our journal and feel confirmed in our belief that the journal is edited by highly qualified colleagues.
