

The Editors greatly appreciate the support of all reviewers whose comments and scientific evaluation of submitted manuscripts are invaluable for ensuring the scientific quality of this journal. In addition to the listed permanent members of the Board of Reviewing Editors, the following distinguished clinicians and scientists listed below acted as reviewers for *Urologia Internationalis* from September 18, 2002 to October 18, 2004. The Editors hereby express their sincere gratitude for and their appreciation of the work done as well as the support given to this journal.
