

The editors greatly appreciate the support of all reviewers whose comments and scientific evaluation of submitted manuscripts are invaluable for ensuring the scientific quality of this journal. In addition to the listed permanent members of the board of Reviewing Editors, the following distinguished clinicians and scientists acted as reviewers for *Urologia Internationalis* from November 1, 2007 to October 31, 2008. The Editors hereby express their sincere gratitude for and their appreciation of the work done as well as the support given to this journal.
